*WINNING ELEVEN 6 FINAL EVOLUTION.ISO* The best soccer sim ever released and the newest installment of the popular Winning Eleven series, winning eleven six evolution immerses players in a pure soccer experience with intense and captivating gameplay. Just like before, winning eleven six features a story mode that spans several years and will play out as if it were real physical season to season, allowing players to see how many medals they won over the course of their career. Winning eleven six also introduces new characters such as Moses who can be obtained by completing various challenges such as heading 100 balls successfully or scoring 10 goals at once. The game can be played by up to four players over local Wi-Fi and boasts the highest number of players of any soccer game, with a total of 30. Winning eleven six continues its tradition of multiple modes, including two new additions: Dynasty mode and the World tour mode which allows players to play against other teams in different regions and even form a club and take it to international tournaments. This version introduces a few new features such as: New features:
