episodes aired. why did harry potter and the deathly hallows part 1(16 episodes) not aired? A: Wikipedia has an article about the purpose of the movies/television series airing out of order (and provides links). It's due to their creative differences and unwillingness of the filmmakers to compromise. They also note that most people have already seen the 1st movie. It's worth noting that the movie is 17 minutes shorter than the book. I assume the shorter length is because of the studio wanting to make it suitable for the movie theaters as well. Wednesday, March 25, 2012 The Democrats will probably only be able to keep a Senate majority by running against the women. What about the rest of us? In some states, Republicans are confident that they can pick up at least one Senate seat and perhaps as many as four, particularly in a year in which the voters are more energized and liberal candidates are forced to run far to the left of the mainstream to keep their party's primary electorate from rejecting them. But if the GOP could hold three or four seats — and at least two of the “expendable” are held by Democrats — it would be enough to offset the Democratic gains that the GOP hopes to make in the House and broadly constrain the president's agenda in the years

ahead. And if a Republican picked up a Senate seat in Kentucky, which will be decided Tuesday, the Republicans would be in the catbird seat for the November elections. “Everywhere we go, we’re getting better,” said Rob Engstrom, political director of the National Republican Senatorial Committee. “We’re also not the nominee, and the people running have a lot of baggage. We don’t win this seat without the woman [Democrat Alison] Lundergan Grimes trying to run to the left of the liberal fringe, and we don’t win this seat if [Sen. Mitch] McConnell just shows up. It’s going to be the best Democratic candidate who wins.” And of course she will. The Democrats will probably only be able to keep a Senate majority by running against the women.
